COMPUTER APPLICATIONS II (PRACTICAL)

Paper 2

2 hours

INSTRUCTIONS TO CANDIDATES

You have ten minutes to read through the instructions and questions before starting the examination. Any problem with the computer should be reported to the invigilator immediately. Direct any question(s) to the invigilator only. Conversing with fellow students may lead to disqualification.

Write your name and index number on the Rewritable CD.

Type your name as a header on each sheet of paper used.

This paper consists of THREE tasks. Perform the THREE tasks.

Each task carries 20 marks.

Read the instructions of each task carefully.

Print on one side of the paper(s) only and use a fresh sheet of paper for each task.

Hand over your printed work and the Rewritable CD to the invigilator at the end of the examination.

Candidates should answer the questions in English.

This paper consists of 6 printed pages.

Candidates should check the question paper to ascertain that all the pages are printed as indicated and that no questions are missing
